

U-tow toilets

The U-Tow portable toilets are an inexpensive, quick and easy way to provide toilets for your party or other special event. In less than five minutes after arriving at your site your toilet is ready!

Single unit

Double unit

The single units are for both men and women, double units are designated.

Double unit

Men

Women

Waterless foam hand sanitizers are standard in all units.

It is easy, just come to our office, tow the unit to your event and set up. After the event, return it to our yard. Either unit can be towed with any car with a 2" ball.
